

# SCHOOL OF BUSINESS

---

A close-knit community within a leading urban, public university, the VCU School of Business enrolls 3,700 students in a wide range of bachelor's, master's, certificate and doctoral programs. The school ranks in the top 5 percent of business schools worldwide due to its accreditation by AACSB International. From its founding in 1937, the school has developed strong connections with the business community in Richmond and beyond, with students actively engaged in internships, corporate projects and learning from executives.

## Strategic plan
