

DEPARTMENT OF COUNSELING AND SPECIAL EDUCATION

Patrick Mullen, Ph.D.

Associate professor and chair

The Department of Counseling and Special Education blends top-tier, accredited programs in counselor education and special education and disability policy to create a unique, interdisciplinary academic environment for students and faculty. The department's primary mission is to prepare graduates to be leaders, ready to make a difference in people's lives. Courses emphasize applicable learning, incorporating the practical tasks and situations students will be faced with on the job.

The nationally recognized faculty members provide guidance and support, allowing students to fully explore their areas of interest. The department provides the tools that help students examine, refine and challenge current methods and scholarship and to use evidence-based research.
