SOCIAL WORK, MASTER OF (M.S.W.)/GENDER VIOLENCE INTERVENTION, CERTIFICATE IN (POST-BACCALAUREATE GRADUATE CERTIFICATE) [COMBINED]

The combined Master of Social Work and Certificate in Gender Violence Intervention program is a collaborative effort among the L. Douglas Wilder School of Public Affairs, the School of Social Work and community advocates working in the area of sexual and domestic violence. The certificate requires a total of 18 credit hours comprising five required courses and one elective.

To enroll in the Certificate in Gender Violence Intervention simultaneously with the M.S.W., students must complete a graduate application for the certificate program and pay the required fee to Graduate Admissions; however, no supporting information is required for students who are already enrolled in good standing in the M.S.W. program.

Applicants will need to complete an online admission application and select from the drop down menu “GVI Certificate.” Applicants then pay the application fee and attach an essay on why they wish to be in the program. Students should also indicate on the right-hand side of the admission application that they are currently in the M.S.W. program, which will alert the admissions office that the application can be sent directly to the program chair for an admissions decision.

Please arrange for references and transcripts to be forwarded to the Wilder School graduate studies office from the School of Social Work and they will be added to the admission application. Students should indicate in the “Comments” section of the application form that they are already enrolled in the M.S.W. program.
