The concentration in human resource management gives students a broad overview of the knowledge base and applications used by professionals in the field. Students receive exposure to a wide range of topics reflecting the body of knowledge required for the Professional in Human Resources certification exam administered by the HR Certification Institute. After graduation, students are prepared for employment in the public or private sector as human resource management generalists or as specialists in human resource management functions such as recruiting, compensation management or benefits administration.

Learning goals
The goal of the curriculum for the human resource management concentration is for students to understand human resource management concepts and principles needed to design and implement policies and practices that enhance an organization's ability to attract, motivate, develop and retain effective employees.

1. General management competencies
   Graduates will develop skills in managing people and other resources to help achieve organizational goals.

2. Analytical competencies
   Graduates will have quantitative and analytical skills that can be applied to the solution of managerial problems.

Student learning outcomes
Upon completing this program, students will know and know how to do the following:

1. Depth of knowledge
   Demonstrate an understanding of fundamental concepts of management that relate to the shaping of employee behaviors toward the achievement of organizational goals.

2. Communication skills
   Communicate a personal leadership vision that reflects self-awareness, knowledge of leadership theories and concepts, and appropriate oral communication skills.

3. Analytic skills
   Use knowledge of human resource management concepts and data to suggest solutions to management problems.

4. Quantitative skills
   Identify and use relevant data to help make informed decisions about management issues.

Special requirements
The admission requirements for the School of Business (http://bulletin.vcu.edu/undergraduate/business/undergraduate-information/academic-policies/) detail the deadlines and other requirements for students to be admitted to one of these major programs of study. The following courses must be completed before the student may declare a specific business major: ACCT 203, ACCT 204, BUSN 201 or BUSN 205, BUSN 212 or MATH 200, BUSN 225, ECON 210, ECON 211, UNIV 111, UNIV 112 and ECON 205.

The School of Business has special academic policies (http://bulletin.vcu.edu/undergraduate/business/undergraduate-information/academic-policies/), including policies on transfer credits, that apply to all undergraduate degrees.

All baccalaureate degree programs in the School of Business require successful completion of the business knowledge exam as administered in BUSN 499.

Students may need to take additional mathematics courses as prerequisites to BUSN 212 or MATH 200. These credits will count as open electives in the degree program.

No more than six credits from the BUSN 16X Digital Literacy courses may be applied to the degree.

No more than four credits in physical education courses may be applied to the degree.

INTL 493 may not be counted toward a business degree.

Credit for SPCH 121 or SPCH 321 will substitute for BUSN 225, and no more than three credits of these courses may be applied toward a business degree. Students who earned a minimum grade of B in either ECON 203 or ECON 205 at VCU may substitute that credit for ECON 210.

The pass/fail grading policy may not be used for many course requirements. Please check with your academic adviser before taking the pass/fail grading option.
