BUSINESS, BACHELOR OF SCIENCE (B.S.) WITH A CONCENTRATION IN MANAGEMENT/INTERNATIONAL MANAGEMENT

The activity of management is concerned with setting an organization’s strategic goals and formulating processes to achieve them. Managers carry out their administrative roles by handling such duties as preparing and administering budgets, planning and directing operations, and coordinating employees’ activities.

The management/international management concentration allows students to pursue an interest in the global nature of today’s business world. A variety of opportunities for international study within and outside the university are available. Students in the management/international management concentration are encouraged to enrich their learning experience by pursuing a minor in international studies or foreign language, studying abroad through the Consortium International University or taking approved courses outside the School of Business.

Learning goals

The goal of the curriculum for the management concentration is to prepare students for careers that require general skills in business and management.

1. General management competencies
   - Graduates will develop skills in managing people and other resources to help achieve organizational goals.
2. Analytical competencies
   - Graduates will have quantitative and analytical skills that can be applied to the solution of managerial problems.

Learning outcomes

Upon completing this program, students will know and know how to do the following:

1. Depth of knowledge
   - Demonstrate an understanding fundamental concepts of management that relate to the shaping of employee behaviors toward the achievement of organizational goals
2. Communication skills
   - Communicate a personal leadership vision that reflects self-awareness, knowledge of leadership theories and concepts, and appropriate oral communication skills
3. Analytic skills
   - Use knowledge of human resource management concepts and data to suggest solutions to management problems
4. Quantitative skills
   - Identify and use relevant data to help make informed decisions about management issues

Special requirements

The foundation program specifies course work required during the freshman and sophomore years. Students are eligible for admission into the advanced business program with a major in the School of Business upon meeting the minimum cumulative GPA requirement and successful completion of:

- A minimum of 54 credits in the foundation program
- ACCT 203 Introduction to Accounting I
- & ACCT 204 and Introduction to Accounting II
- BUSN 201 Foundations of Business
- BUSN 225 Winning Presentations
- ECON 210 Principles of Microeconomics
- ECON 211 Principles of Macroeconomics
- INFO 160 Digital Literacy: Computer Concepts, Internet, Digital Devices
- INFO 161 Digital Literacy: Word Processing Skills
- INFO 162 Digital Literacy: Spreadsheets Skills I

The admission requirements for the School of Business (http://bulletin.vcu.edu/undergraduate/business/undergraduate-information/academic-policies) detail the deadlines for students to be admitted to the advanced business program with a major in the school. At least 30 hours of the required business courses for the Bachelor of Science must be taken at VCU.

All baccalaureate degree programs in the School of Business require successful completion of the business knowledge exam as administered in BUSN 499.

Students may need to take additional mathematics courses as prerequisites to SCMA 212 or MATH 200. These credits will count as electives in the foundation program. The sample curriculum outline includes SCMA 171 since many of our students will need to complete this course.

The INFO 160, INFO 161, INFO 162 and INFO 166 requirements may be waived upon successful completion of a Knowledge Equivalency Test administered by the Office of Undergraduate Studies. No more than two additional credits may be applied to the degree from the INFO 16x series.

No more than four credits in physical education courses may be applied to the degree.

INTL 493 may not be counted toward a business degree.

Credit for SPCH 121 or SPCH 321 will substitute for BUSN 225, and no more than three credits of these courses may be applied toward a business degree. Credit for STAT 210 or STAT 212 will substitute for SCMA 301. Students who earned a minimum grade of B in ECON 203 at VCU may substitute that credit for ECON 210.
