Foreign language requirement and native speaker information

All students within the College of Humanities and Sciences are required to meet a foreign language requirement either through the 102 level for the college general education program or through a higher level as specified by the individual program.

The following is the procedure to determine fluency level in respective languages:

1. For languages currently taught at VCU students take a placement test through School of World Studies media center.

2. For languages not taught at VCU students submit ACTFL oral proficiency examination results (For more information and to register for the OPI evaluation, please visit languagetesting.com) or submit a copy of official high school or university transcript documenting completion of formal secondary or postsecondary study in a program taught in a language other than English.

For questions about the procedure or regarding languages not covered through the OPI test, students should contact the School of World Studies Advising Office.

Experiential learning and study abroad

World Passport

As part of the School of World Studies’ commitment to learning through engagement, each student within the school is required to complete a World Passport to introduce him or her to a breadth of experience beyond the core curriculum: cultural opportunities, experiential learning, seminars and conferences, international experiences, and multicultural campus activities. Students are required to obtain information about their personal World Passport from the School of World Studies Advising Office. The passport will be kept in the student advising file throughout the duration of study. It will be reviewed and stamped by an SWS adviser prior to graduation, and then given to the student upon completion.

The passports require four categories of activities to be completed by students before graduation from VCU with a degree from the School of World Studies.

- Professional preparation prepares students for careers, graduate school and lifelong learning.
- Crossing boundaries exposes students to international and multicultural interactions and ideas.
- Community engagement enhances the undergraduate experience by greater involvement in the community.
- Experiential learning provides students the opportunity to demonstrate success in applying program content beyond a classroom setting.

The School of World Studies is committed to the premise that learning is best facilitated through engagement with the dynamic complexities and challenges of the world outside the classroom. Both majors and minors in the school are required to participate in experiential learning options. All experiential learning opportunities must receive prior approval from the SWS Advising Office and include internships, service-learning courses, certain noncredit options and study abroad.
Study abroad

Summer study-abroad programs provide students with opportunities for short-term immersion in the language, culture and civilization of the countries they visit. A list of current VCU study abroad opportunities can be found at global.vcu.edu/abroad (http://www.global.vcu.edu/abroad). VCU is a member of the International Student Exchange Program, which offers junior year abroad programs at one of 40 universities worldwide. For more information about study abroad visit the School of World Studies website at worldstudies.vcu.edu (http://www.worldstudies.vcu.edu).

World Passport completion

The instructions for successful completion of the World Passport requirements, along with a description of each of the four sections, can be found on the World Studies website at worldstudies.vcu.edu (http://www.worldstudies.vcu.edu) or in the World Studies Advising Office. Students are responsible for attending appropriate events, securing documentation of attendance and meeting with their adviser to have the passport stamped as points are earned for each category. The potential events can be determined by utilizing the category descriptions noted in the passport or by visiting the SWS Calendar at worldstudies.vcu.edu (http://www.worldstudies.vcu.edu) and the school’s Facebook page. Evaluation of the passport is on a pass/fail basis. Should a student lose his or her passport, he or she would be required to re-create attendance at events in essay form or complete the requirement in some other way determined by the adviser or program coordinator.
