DEGREE PROGRAMS

The School of Engineering offers the following degree programs:

**Bachelor of Science**
Biomedical Engineering  
Chemical and Life Science Engineering  
Computer Engineering  
Computer Science  
Electrical Engineering  
Mechanical Engineering  
  • Mechanical Engineering with a concentration in nuclear engineering

Students also may be admitted under “undeclared engineering” for entrance to the School of Engineering. A field of study can be determined after the first semester. Students in undeclared engineering are subject to the change of major criteria listed by each department.

**Master of Science**
Biomedical Engineering  
Computer Science  
Engineering  
  • Engineering with a concentration in chemical and life science engineering  
  • Engineering with a concentration in electrical and computer engineering

Mechanical and Nuclear Engineering

**Doctor of Philosophy**
Biomedical Engineering  
Engineering  
  • Engineering with a concentration in chemical and life science engineering  
  • Engineering with a concentration in computer science  
  • Engineering with a concentration in electrical and computer engineering

Mechanical and Nuclear Engineering

**Joint degree**
M.D./Ph.D. in Biomedical Engineering in participation with the School of Medicine

**Interdisciplinary and cooperative studies degree**
M.S. degree through the Commonwealth Graduate Engineering Program

**Post-baccalaureate certificate**
Computer Science
