F. Douglas Boudinot, Ph.D.
Dean

Graduate programs are administered by the individual departments,
schools and centers with assistance from the Graduate School. Major
coordination of the various degree programs is performed by the
University Graduate Council, which is chaired by the dean of the Graduate
School. The University Graduate Council comprises two elected faculty
members from each school and one elected faculty member from VCU
Life Sciences.

The Graduate School section of the VCU Bulletins documents the official
admission and academic rules and regulations that govern graduate
education at the university. The University Graduate Council determines
these policies.

Bulletins and course descriptions for the current and past
years are now archived in the VCU Scholars Compass (http://
scholarscompass.vcu.edu/vcubulletins) hosted by the VCU Libraries.
