ACADEMIC REGULATIONS AND GENERAL DEGREE REQUIREMENTS

Students are responsible for knowing and fulfilling all general and specific degree requirements as described in this section.

It is the responsibility of all undergraduate students to be familiar with the Undergraduate Bulletin of record (the bulletin in effect at the time of official admission), as well as the academic regulations in individual school and department publications and on program websites; however, in all cases, the academic regulations and general degree requirements, as published on this Undergraduate Bulletin website, take precedence over individual program policies and guidelines.
