ADMISSION GUIDELINES

The credentials of undergraduate applicants for admission to degree status are reviewed on an individual and holistic basis. Candidates for admission to VCU are reviewed based on their academic merit; leadership, community service and talent (when applicable) also may be considered. First-time freshman applicants should review the freshman admission guidelines below. Transfer applicants should review the transfer applicant guidelines (http://bulletin.vcu.edu/undergraduate/undergraduate-study/admission-university/transfer-admission-guidelines/) in this bulletin. Applicants interested in enrolling as nondegree-seeking students should read the nondegree-seeking student guidelines in the academic regulations section of this bulletin.

Freshman undergraduate admission guidelines

An applicant for degree status must be a graduate of an accredited secondary school (or its equivalent) or hold a GED or have taken a State Department of Education approved High School Equivalency examination. A high school student should submit an application for admission after completion of the junior year, unless applying for the early admission or advanced scholar programs, in which case the application should be submitted after the sophomore year.

All freshman applicants under the age of 22 are required to submit scores from the SAT or ACT, however some situations exist where testing is optional. Additional information on optional and required test scores (http://www.ugrad.vcu.edu/apply/freshman/requirements.html) for freshmen is available on the Office of Admissions website.

The college preparatory curriculum is highly preferred, and a minimum of 20 units is required for admission to all programs on the Monroe Park Campus, with the following minimum distribution of subjects: four units in English; three units in mathematics, one of which must be algebra I and one of which must be geometry or algebra II; three units in science, one of which must be a laboratory science; and three units of history or social sciences or government. Students are encouraged to present at least three units in a modern or ancient language or two units of two foreign languages.

In addition, preference is given to candidates who submit the Advanced Studies diploma or its equivalent. Information about the Advanced Studies diploma can be found on the State Council of Higher Education for Virginia (http://www.schev.edu/index/students-and-parents/prepare/high-school-graduation-requirements/) website.

Freshman applicants planning to pursue postgraduate studies in the health professions (dentistry, medicine, occupational therapy, pharmacy and physical therapy) are advised to choose a pre-health advising track in addition to their academic major. For more information about professional health advising tracks and majors, please see the Academic advising (http://bulletin.vcu.edu/undergraduate/undergraduate-study/academic-advising/) section.

The Honors College offers qualified students interested in health science the opportunity for early acceptance into many of the MCV Campus programs. See the Honors College (http://www.honors.vcu.edu/guaranteed/) website for details.

Freshman applicants who are not admitted with degree status may be eligible to enroll at VCU as nondegree-seeking students provided one year has elapsed since their actual or intended high school graduation date.

Nondegree-seeking student guidelines

Eligibility guidelines for nondegree-seeking students (http://bulletin.vcu.edu/academic-regs/ugrad/nondegree-guidelines/) may be found in the academic regulations section of this bulletin.

Transfer applicant admission guidelines

The university undergraduate transfer policy and the state policy on transfer agreement may be found in the admission guidelines for transfer students (http://bulletin.vcu.edu/undergraduate/undergraduate-study/admission-university/transfer-admission-guidelines/) section of this bulletin.

School of the Arts freshman admission guidelines

Students applying to the School of the Arts must submit the standard university undergraduate application in addition to supplemental materials. The School of the Arts faculty reviews all applications to programs in the School of the Arts. All visual arts and design applicants and all technical theatre applicants are required to submit a visual portfolio with their application. All performing arts applicants are required to visit VCU for an audition and/or interview. Applicants to the cinema and art history programs also must submit writing samples. For additional supplemental requirements and online application materials (https://arts.vcu.edu/admissions/how-to-apply/), visit the School of the Arts website.
