The Division of Strategic Enrollment Management and Student Success (<http://www.sem.vcu.edu/>) provides primary oversight for the recruitment, retention and graduation of students at all levels. The purpose of the division is to ensure academic quality and student success, which is dependent upon the recruitment, retention and timely graduation of a talented and diverse student body. The division's goals and aspirations are clearly articulated in the university's strategic plan, and a primary component of that vision is to ensure that the university attracts and retains students who will graduate at a higher rate and who will contribute to a highly skilled 21st-century workforce.

Within the division there are several operational areas: Admissions, Adult and Non-Traditional Student Services, Campus Learning Center, Career Services, Financial Aid, Intersession, Military Student Services, Records and Registration, Student Accounting, Student-Athlete Support Services, the Student Financial Management Center, Summer Studies and Special Programs, the Transfer Center, Trio Student Support Services, University Academic Advising, and the Writing Center.
