VCU Continuing and Professional Education (<http://ocpe.vcu.edu/>) offers a wide range of services to the university and the community at large and is a comprehensive hub for delivering and supporting quality learning experiences to individuals and organizations through continuing education and professional development.

Mission

VCU Continuing and Professional Education, in partnership with the colleges and schools at VCU, provides and supports quality continuing and professional education and skills training for individual, local, regional and national impact. The office aligns its priorities to the appropriate themes of the strategic plan, Quest 2028: One VCU Together We Transform.

Goals

VCU Continuing and Professional Education provides:

- Comprehensive logistical support for continuing education and professional development activities for the colleges and schools at VCU and VCU Health
- Educational opportunities that further personal, professional and organizational growth
- Customized solutions to partners in the marketplace
- Lifelong learning opportunities for VCU alumni

Whether individuals want to find professional or personal development, explore custom solutions for their business, or earn digital badges or continuing education units, VCU Continuing and Professional Education offers courses and services to help achieve a variety of goals.
