BUSINESS, MASTER OF SCIENCE (M.S.) WITH A CONCENTRATION IN BRANDING/COPYWRITING

Copywriting students can bring life to big ideas through storytelling that is bold, honest and engaging. They must work across a range of writing styles, from comedy to serious prose, from long videos viewers can’t stop watching to short social media messages that make readers stop and think.

The overall work environment at the Brandcenter is similar to that of agencies and their clients. Teams of students from all concentrations work together to develop ideas and campaigns that solve business problems strategically and creatively. Students also learn how to present those ideas in engaging and persuasive ways.

Student learning outcomes
1. **Presentation skills**: Students will demonstrate the ability to effectively present/sell their ideas in a clear, concise and compelling manner.
2. **Collaboration**: Students will demonstrate their ability to work together in cross-functional teams/groups (i.e., as art directors, copywriters, creative brand managers, experience designers and strategists) to develop viable business/marketing solutions.
3. **Creative and critical problem-solving**: Students will demonstrate the ability to research consumer culture (via secondary research, syndicated research and qualitative/quantitative research methods) and evaluate consumer media/technology usage habits to develop media-neutral business solutions.
4. **Culture**: Students will demonstrate an appreciation, interest in and openness for different cultures (both national and international) yielding more relevant, culturally savvy business solutions.
5. **Craft**: Students will demonstrate the ability to execute specific skills related to their individual subconcentration.

VCU Graduate Bulletin, VCU Graduate School and general academic policies and regulations for all graduate students in all graduate programs

The VCU Graduate Bulletin website documents the official admission and academic rules and regulations that govern graduate education for all graduate programs at the university. These policies are established by the graduate faculty of the university through their elected representatives to the University Graduate Council.

It is the responsibility of all graduate students, both on- and off-campus, to be familiar with the VCU Graduate Bulletin as well as the Graduate School website and academic regulations in individual school and department publications and on program websites. However, in all cases, the official policies and procedures of the University Graduate Council, as published on the VCU Graduate Bulletin and Graduate School websites, take precedence over individual program policies and guidelines.

Visit the academic regulations section for additional information on academic regulations for graduate students.

Degree candidacy requirements
A graduate student admitted to a program or concentration requiring a final research project, work of art, thesis or dissertation, must qualify for continuing master’s or doctoral status according to the degree candidacy requirements of the student’s graduate program. Admission to degree candidacy, if applicable, is a formal statement by the graduate student’s faculty regarding the student’s academic achievements and the student’s readiness to proceed to the final research phase of the degree program.

Graduate students and program directors should refer to the following degree candidacy policy as published in the VCU Graduate Bulletin for complete information and instructions.

Visit the academic regulations section for additional information on degree candidacy requirements.

Graduation requirements
As graduate students approach the end of their academic programs and the final semester of matriculation, they must make formal application to graduate. No degrees will be conferred until the application to graduate has been finalized.

Graduate students and program directors should refer to the following graduation requirements as published in the Graduate Bulletin for a complete list of instructions and a graduation checklist.

Visit the academic regulations section for additional information on graduation requirements.
