

# ACCELERATED BACHELOR'S-TO-MASTER'S PROGRAMS

---

VCU offers a number of accelerated bachelor's-to-master's degree programs that allow academically talented undergraduate students to earn both degrees in a minimum of five years by taking approved graduate-level courses during the senior year of their undergraduate program. Accelerated bachelor's-to-master's programs must be approved by both the University Undergraduate Curriculum Committee and the University Graduate Council. Descriptions for accelerated programs are presented in the Undergraduate Bulletin and can be viewed on the opportunities tab of the participating programs.
