

# APPLYING FOR FINANCIAL AID

---

The financial aid application process for the academic year begins Oct. 1. All students are encouraged to complete and submit the FAFSA as soon as possible after Oct. 1, designating VCU (school code 003735) to receive the results. In order to reduce problems, errors and omissions on the FAFSA, students are encouraged to apply electronically using FAFSA on the Web (<https://studentaid.gov/>). Once the FAFSA is filed, the federal processor will send the student a Student Aid Report or electronic SAR acknowledgement and also will electronically send the information to the VCU Office of Financial Aid, if VCU was listed as a school to receive the data. If additional information is needed to complete processing of the application, the VCU Office of Financial Aid will send the student a request for additional information. Responding promptly to such requests will ensure timely processing of the application. Once the review of FAFSA data has been completed, the Office of Financial Aid will send the student a financial aid notification.

Please note that health professions students (dentistry, medicine, nursing or pharmacy) must provide both student and parental information on the FAFSA to apply and receive consideration for Title VII grants and loans from the Department of Health and Human Services.

## Priority filing dates

The VCU Office of Financial Aid recommends electronically filing the FAFSA by Feb. 1. Students should complete the FAFSA using data from their completed tax returns. If necessary, they may use estimated tax return data in order to meet the VCU priority filing date but should be prepared to submit a copy of their completed tax returns and W2 forms to VCU as soon as possible. Students will receive their financial aid notification after their FAFSA application data has been verified. If students have not applied for financial aid in a timely manner, they may want to participate in the VCU Installment Payment Plan (<https://sfs.vcu.edu/billing-and-payments/installment-plan/>), administered by Student Accounting, which budgets each semester's bill over four payments.
