RELIGIOUS STUDIES, BACHELOR OF ARTS (B.A.)

worldstudies.vcu.edu/academics/relstudies (http://worldstudies.vcu.edu/academics/religious-studies/)

The mission of the Religious Studies Program at VCU is to advance understanding of the nature, history and diversity of religious traditions.

Religious studies is guided by the idea that studying humanity's diverse and developing religious traditions is vital to understanding what it means to be human and how to live wisely as members of the world community. Students explore the artistic, ethical, literary, psychological and social dimensions of religions, as well as the relationship between religious ideas, institutions, and practices and matters of gender, sexuality, race, nationality, health, social justice, human rights and nature.

Religious studies emphasizes excellence in written, oral and visual interpretation and communication, critical thinking, informed dialogue, and global citizenship. Combining classroom- and community-based learning through study-abroad programs, internships and community service, religious studies empowers students to engage intellectually and practically with diverse communities and work to build a peaceful, generous and affirming society.

Student learning outcomes

Upon completing this program, students will know how to do the following:

- · Demonstrate knowledge of diverse religious traditions
- Utilize the vocabulary, concepts and research methods of the academic study of religion
- · Analyze the influence of religions on ethics, society and culture
- Make clear, well-organized and substantive written and oral presentations

Experiential learning and study abroad

Each student completing a degree program within the School of World Studies is required to complete a World ePass as part of their experiential learning requirement; students are also encouraged to participate in a study abroad program. For more information on the ePass portfolio and study abroad opportunities, students may visit the overview page for the School of World Studies (http://bulletin.vcu.edu/undergraduate/college-humanities-sciences/school-worldstudies/).

Special requirements

The Bachelor of Arts in Religious Studies requires a minimum of 120 credits, with at least 30 credits in religious studies courses or in courses listed as acceptable for religious studies credit. Up to six of the 30 credits may be taken in language studies relevant to one's area of research interest and with the appropriate approval through the School of World Studies Advising Office. Other courses occasionally may be substituted should the needs and background of an individual student warrant substitutions. Religious studies majors are encouraged to consider a second major or minor that complements their study of religions (e.g. English, international studies), as well as study-abroad opportunities to enrich their studies.
