

TRANSFER STUDENTS

Students who transfer to VCU come from a wide range of two- and four-year institutions. VCU recognizes that transfer students constitute a very diverse group with varying and unique needs. Transfer students are served directly through the school or college according to their intended program of study. The Transfer Center helps transfer students work with Undergraduate Admissions and the undergraduate units to seek ways to continuously facilitate and enhance the transfer process to VCU. The center also assists the schools and colleges of VCU to develop relationships with Virginia community colleges. VCU's chief transfer officer develops and maintains articulation agreements with sister institutions, maintains the VCU Transfer Guide and transfer major maps (<https://majormaps.vcu.edu/transfer/?college=Reynolds+Community+College&query=>), and serves as a point of contact for prospective and incoming transfer students.
